## Redneck Etiquette

### PERSONAL HYGIENE

1. Unlike clothes and shoes, a toothbrush should never be a hand-me-down item.
2. While ears need to be cleaned regularly, this is a job that should be done in private using one's OWN truck keys.
3. Proper use of toiletries can forestall bathing for several days. However, if you live alone, deodorant is a waste of good money.
4. Dirt and grease under the fingernails is a social no-no, as they tend to detract from a woman's jewelry and alter the tastes of finger foods.
5. Plucking unwanted nose hair is time-consuming work. A cigarette lighter and a small tolerance for pain can accomplish the same goal and save hours. It's a good idea to keep a bucket of water handy when using this method.

### DINING OUT

1. When decanting wine, make sure that you tilt the paper cup and pour slowly so as not to "bruise" the fruit of the vine. If drinking directly from the bottle, always hold it with your fingers covering the label.
2. Remember to leave a generous tip for good service. After all, their mobile home costs just as much as yours.

### ENTERTAINING IN YOUR HOME

1. A centerpiece for the table should never be anything prepared by a taxidermist.
2. Do not allow the dog to eat at the table, no matter how good his manners are.
3. Be considerate of your guests. Point out in advance where the injury-threatening springs are located on the sofa.
4. If your dog falls in love with a guest's leg, have the decency to leave them alone for a few minutes.

### DATING (Outside the Family)

1. Always offer to bait your date's hook, especially on the first date.
2. No matter how broke you are, never take your date flowers that were stolen from a cemetery.

## Redneck Humour

---

3. Be aggressive. Let her know you are interested: "I've been wanting to go out with you since I read that stuff on the men's bathroom wall two years ago."
4. Establish with her parents what time she is expected back. Some will say 10:00. Others might say "Monday." If the latter is the answer, it's the boy's responsibility to get her to school on time.
5. If a girl's name does not appear regularly on a bathroom wall, water tower, or an overpass, odds are good that the date will end in frustration.
6. Even if you can't get a date, avoid kidnapping. It's bad for your reputation.

### THEATER ETIQUETTE

1. Crying babies should be taken to the lobby and picked up immediately after the movie has ended.
2. Refrain from talking to characters on the screen. Tests have proven they can't hear you.

### WEDDINGS

1. Livestock usually is a poor choice for a wedding gift.
2. Is it okay to bring a date to a wedding? Not if you are the groom.
3. When dancing, never remove undergarments, no matter how hot it is.
4. Kissing the bride for more than 5 seconds may get you cut.
5. A bridal veil made of window screen is not only cost effective but also a proven fly deterrent.
6. For the groom, at least rent a tux. A leisure suit with a cummerbund and a clean bowling shirt can create a natty appearance. Though uncomfortable, say yes to socks and shoes for this special occasion.

### DRIVING ETIQUETTE

1. Dim your headlights for approaching vehicles, even if the gun is loaded and the deer is in sight.
2. When approaching a four-way stop, the vehicle with the largest tires always has the right of way.
3. Never tow another car using pantyhose and duct tape.
4. When sending your wife down the road with a gas can, it is impolite to ask her to bring back beer.
5. Never relieve yourself from a moving vehicle, especially when driving.
6. Do not remove the seats from the car so that all your kids can fit in.
7. Do not lay rubber while traveling in a funeral procession.

### TIPS FOR ALL OCCASIONS

1. Never take a beer to a job interview or ask if they press charges.
2. Always identify people in your yard before shooting at them.
3. Always say "Excuse me" after getting sick in someone else's car.
4. It's considered tacky to take a cooler to church.
5. Even if you're certain that you are included in the will, it's considered tacky to drive a U-Haul to the funeral home.

## Redneck Humour

---

6. The socially refined never fish coins out of public toilets, especially if other people are around.
7. If you have to vacuum the bed, it's time to change the sheets.
8. Always provide an alibi to the police for family members.

## Redneck Horoscopes

### WHAT'S Y'ALL'S SIGN

It has become pretty obvious to us Southerners that our present astrological signs have served their purpose and that we should get rid of them. When I'm out driving around I'll see bulls, and once in a great while I suppose I'll even see a ram. Up the street from me there's some twins, but I don't see them much. The rest of these things are just too obscure. You only see crabs on vacation. There are no lions or scorpions, not many archers and no damn water bearers. The neighborhood's not crawling with them either. SO, what we need here is some relevance. We need things we can recognize up there in the night sky.

### OKRA (Dec 22 - Jan 20)

Although you appear crude, you are actually very slick on the inside. Okra have tremendous influence. An older Okra can look back over his life and see the seeds of his influence everywhere. Stay away from Moon Pies.

### CHITLIN (Jan 21 - Feb 19)

Chitlins often come from humble backgrounds. Many times they're uncomfortable talking about just where they came from. A chitlin, however, can make something of himself if he's motivated and has plenty of seasoning. When it comes to dealing with Chitlins, be very careful. Chitlins can burn and then

## Redneck Humour

---

erupt like Vesuvius, and this can make for a really terrible mess. Chitlins are best with Catfish and Okra. Remember that when marriage time rolls around.

### BOLL WEEVIL (Feb 20 - Mar 20)

You have an overwhelming curiosity. You're unsatisfied with the surface of things, and you feel the need to bore deep into the interior of everything. Needless to say, you are very intense and driven as if you had some inner hunger. Nobody in their right mind is going to marry you, so don't worry about it.

### MOON PIE (Mar 21 - Apr 20)

You're the type that spends a lot of time on the front porch. It's a cinch to recognize the physical appearance of Moon Pies. "Big" and "round" are the key words here. You should marry anybody who you can get remotely interested in the idea. It's not going to be easy. This might be the year to think about aerobics. Maybe not.

### POSSUM (Apr 21 - May 21)

When confronted with life's difficulties, possums have a marked tendency to withdraw and develop a "don't - bother - me - about - it" attitude. Sometimes you become so withdrawn, people actually think you're dead. This strategy is probably not psychologically healthy, but seems to work for you. One day, however, it won't work, and you may find your problems actually running you over.

### CRAWFISH (May 22 - Jun 21)

Crawfish is a water sign. If you work in an office, you're always hanging around the water cooler. Crawfish prefer the beach to the mountains, the pool to the golf course, and the bathtub to the living room. You tend not to be particularly attractive physically, but you have very, very good heads.

### COLLARDS (Jun 22- Jul 23)

Collards have a genius for communication. They love to get in the "melting pot" of life and share their essence with the essences of those around them. Collards make good social workers, psychologists, and baseball managers. As far as your personal life goes, if you are Collards, stay away from Moon Pies. It just won't work. Save yourself a lot of heartache.

### CATFISH (Jul 24 - Aug 23)

Catfish are traditionalists in matters of the heart, with one exception: Whiskers may cause problems for loved ones. You catfish are never easy people to understand. You prefer the muddy bottoms to the clear surface of life. Above all else, Catfish should stay away from Moon Pies.

### GRITS (Aug 24 - Sep 23)

Your highest aim is to be with others like yourself. You like to huddle together with a big crowd of other Grits. You love to travel, though, so maybe you should think about joining a club. Where do you like to go? Anywhere they have cheese or gravy or bacon or butter or eggs. If you can go somewhere where they have all these things, that serves you well.

### BOILED PEANUTS (Sep 24 - Oct 23)

You have a passionate desire to help your fellow man. Unfortunately, those who know you best - your friends and loved ones - may find that your personality is much too salty, and their criticism will probably affect you deeply because you are really much softer than you appear. You should go right

## Redneck Humour

---

ahead and marry anybody you want to because in a certain way, yours is a charmed life. On the road of life, you can be sure that people will always pull over and stop for you.

### BUTTER BEAN (Oct 24 - Nov 22)

Always invite a Butter Bean because Butter Beans get along well with everybody. You, as a Butter Bean, should be proud. You've grown on the vine of life and you feel at home no matter what the setting. You can sit next to anybody. However, you, too, shouldn't have anything to do with Moon Pies.

### ARMADILLO Nov (23 - Dec 21)

You have a tendency to develop a tough exterior, but you are actually quite gentle. A good evening for you? Old friends, a fire, some roots, fruit, worms and insects. You are a throwback. You're not concerned with today's fashions and trends. You're not concerned with anything about today. You're really almost prehistoric in your interests and behavior patterns. You probably want to marry another Armadillo, but Possum is another, somewhat kinky, mating possibility.

What do a Divorce in Alabama, a Tornado in Kansas and a Hurricane in Florida have in common?  
Somebody's fixin' to lose them a house trailer.

Nobody admitted 17 and under.

Everyone has the same DNA.

Two Alabamans are walking down different ends of a street toward each other and one is carrying a sack. When they meet, one Alabaman says, "Hey Tommy Ray, what'cha got in th' bag?"  
"Jus' some chickens." "If I guess how many there are, can I have one?" "I'll give you both of them." "OK. Umm, five?"

An Alabaman came home and found his house on fire, rushed next door, telephoned the fire department and shouted, "Hurry over here. My house is on fire!" "OK," replied the fireman, "how do we get there?" "Say, don't you still have those big red trucks?"

The Alabaman and his gal were embracing passionately in the front seat of the car. "Want to go in the back seat?" she asked. "No," he replied. A few minutes later she asked, "Now do you want to get in the back seat?" "No," he said again, "I wanna stay here in the front seat with you."

A Alabaman hitchhiker was picked up by a guy in a big Lincoln Continental. The Alabaman noticed a bunch of golf tees on the front seat and asked, "What are those things for?" The driver said, "They're to hold my balls while I drive." "Boy," exclaimed the Alabaman, "these Lincoln Continentals have everything, don't they?"

Did you hear that the governor's mansion in Alabama burned down? Almost took out the whole trailer park.

Not really a redneck joke, but still funny. 8-)

A seaman meets a pirate in a bar, and talk turns to their adventures on the sea. The seaman notes that the pirate has a peg leg, a hook, and an eye patch.

The seaman asks "So, how did you end up with the peg leg?"

The pirate replies "We were in a storm at sea, and I was swept overboard into a school of sharks. Just as my men were pulling me, a shark bit my leg off"

"Wow!" said the seaman. "What about your hook"?

"Well," replied the pirate, "we were boarding an enemy ship and were battling the other sailors with swords. One of the enemy cut my hand off."

"Incredible!" remarked the seaman. "How did you get the eye patch"?

"A seagull dropping fell into my eye," replied the pirate.
